Dear Sir:

In accordance with 37 C.F.R. 1.56, 1.97, and 1.98, Applicants through counsel
herewith again submit copies of the publications as set forth in the attached Form PTO-1449
as follows:

REMARKS

Applicants again respectfully request that the Examiner consider the above-listed references in the examination of this Application, and list these references of record in the Application as well. All of these references had previously been submitted in a timely manner, yet the Examiner has apparently refused to consider them without explanation. Enclosed is a copy of the Form PTO-1449, signed by the Examiner and dated July 23, 2002. Also enclosed is a copy of the return postcard, stamped by the Patent Office June 24, 2002, indicating that the previous Information Disclosure Statement, Form PTO-1449, and copies of all of the cited references were all received. These same references are again submitted for consideration, exactly as before. The only difference between the resubmitted Form PTO-1449 and the one previously submitted by Applicants is that the present Form more correctly indicates English language Abstracts of the references are provided (as they were also provided before).

Because all of these references were originally correctly and timely submitted, and because the Examiner has provided no explanation for his refusal to consider these submitted references, Applicants submit that no additional fees should be necessary to have these references considered new. The Patent Office is authorized, however, to charge any fees necessary to have this Paper entered to account 07-2069.

Applicants request that the Examiner acknowledge consideration of all of these references by returning an initialed form of the attached Form PTO-1449.

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.

SUBMISSION OF REVISED INFORMATION DISCLOSURE STATEMENT

Mail Stop RCE
Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants submit the enclosed Paper in an effort to more precisely indicate the previously submitted references that have already been considered and acknowledged by the Examiner. Three of the references listed on the foreign PTO-1449, JP 7-73419, JP 10-69609, and JP 9-245318, are correctly listed on the form as having not been submitted with full translations. A more correct description, however, would have been to indicate that

translations of the abstracts were provided (which were also considered by the Examiner, as indicated in the enclosed initialed Form PTO-1449).

As a courtesy, Applicants have provided herein a new Form PTO-1449 more correctly indicated the state of the previous submission of references. Applicants request that the Examiner acknowledge consideration of all of these references by returning an initialed form of the attached Form PTO-1449.

Applicants submit that no new matter, references, or issues are raised by this Paper that require further search or consideration by the Examiner. Applicants submit this paper merely in the interests of making the record as complete and accurate as possible.

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.
